

FIRST STEP PLAYGROUP

1.6 Uncollected child

Policy statement

At First Step Playgroup in the event that a child is not collected by an authorised adult at the end of a session/day, the setting puts into practice agreed procedures. These ensure the child is cared for safely by an experienced and qualified practitioner who is known to the child. We will ensure that the child receives a high standard of care in order to cause as little distress as possible.

We inform parents/carers of our procedures so that, if they are unavoidably delayed, they will be reassured that their children will be properly cared for.

Procedures

- Parents/carers of children starting at First Step Playgroup are asked to provide the following specific information which is recorded on our Registration Form:
- Home address and telephone number - if the parents/carers do not have a telephone, an alternative number must be given, perhaps a neighbour or close relative.
- Place of work, address and telephone number (if applicable).
- Mobile telephone number (if applicable).
- Names, addresses, telephone numbers of adults who are authorised by the parents/carers to collect their child from the setting, for example a childminder or grandparent.
- Who has parental responsibility for the child.
- Information about any person who does not have legal access to the child.
- On occasions when parents/carers are aware that they will not be at home or in their usual place of work, they inform us in writing of how they can be contacted.
- On occasions when parents/carers or the persons normally authorised to collect the child are not able to collect the child, they provide us with written details of the name, address and telephone number of the person who will be collecting their child. We agree with parents/carers how to verify the identity of the person who is to collect their child.
- Parents/carers are informed that if they are not able to collect the child as planned, they must inform us so that we can begin to take back-up measures. We provide parents/carers with our contact telephone number.
- We inform parents/carers that we apply our child protection procedures as set out in our child protection policy in the event that their children are not collected from the setting by an authorised adult within one hour after the setting has closed and the staff can no longer supervise the child on our premises.
